

Walkway of Blessings

Since we opened our doors in 1991, Francis House has received countless blessings. These blessings have come to us in many ways, including over 2,500 residents and their family members who have allowed us to care for them, 500 active volunteers who assist us in caring for and loving those who enter our home, and many contributions from individuals throughout our community. These gifts enable us to continue our ministry.

All who visit our home are able to count the many blessings received by those in our community by admiring our Walkway of Blessings. This brick walkway leads to our gazebo and is made up of blessing bricks. The bricks are etched with the names of those who have brought blessings to others.

For a gift of \$100, you can have a brick etched in honor or memory of someone who has been a blessing in your life. To purchase your brick, please fill out the form below and mail it to Francis House with your payment to:
