5:30 P.M. to 8:30 P.M.

Horticulture Building, New York State Fairgrounds

This year Francis House celebrates 26 years of caring for those with terminal illnesses in our community. Guests will enjoy scrumptious food stations and live entertainment. Lucky guests will get the keys to unlock the prize house doors to win fabulous prizes. The event will host business and community leaders, as well as individuals from the Syracuse community. We plan to welcome over 2,600 guests this year.

The staff and volunteers at Francis House realize there is no place like “home.” Francis House is a home where those with terminal illnesses spend their last precious days of life surrounded by loving, caring staff and volunteers. Caregivers provide a family-like setting where residents can die with dignity and experience unconditional love. Over 2,600 residents and their family members have been cared for since the Sisters of St. Francis established Francis House in 1991. It is the only home of its kind in the Greater Syracuse area.
