

**Thank you for your interest! Your donation of a car, truck, van, SUV or motorcycle will directly support the Francis House mission.**

Did you know? More than 65% of the steel produced in North America last year was made from scrap. And the single largest supply of scrap metal came from old cars!

Thanks to our trusted partner, Car Donation Wizard, the process is easy. You can call to make a donation, or fill out a form on the Car Donation Wizard website.

### Calling to make a donation:

Call 877-957-2277 (or 877-957-CARS) and indicate you would like to donate a vehicle to benefit Francis House. They will assist you.

### To complete the online form:

Visit [CarDonationWizard.com](http://CarDonationWizard.com). Click on **Charities**. Scroll down to **Our Charity Partners Rule!** Then, in the **Search Charities search box**, type in Francis House. Here you will find Frequently Asked Questions, Tax Questions & Answers, and a short form to complete.

**Step 1:** Enter your vehicle information. (As seen in the picture below)

The screenshot shows the "Step One. Vehicle Info" section of the Car Donation Wizard website. At the top, there is a navigation bar with three steps: "Step One. Vehicle Info" (highlighted with a green arrow and a car icon), "Step Two. Donor Info", and "Step Three. Done!". Below the navigation bar is the "VEHICLE INFORMATION" section. It contains several input fields: "VIN (optional)" (text box), "Year" (dropdown menu), "Make" (dropdown menu), "Model" (dropdown menu), "Body Type" (dropdown menu), "Color (optional)" (dropdown menu), "Mileage" (text box), "Condition" (dropdown menu), "Drivable?" (dropdown menu), and "Date Last Driven" (text box with "(mm/dd/yyyy)" format). At the bottom, there is a "Vehicle Notes (optional)" section with a text area containing the prompt "(Missing parts, damage, recent repairs, custom accessories, mechanical problems, etc...)" and a small icon in the bottom right corner.

**Step 2:** Enter your information as the donor.

### Process Information:

- Car Donation Wizard ensures the vehicle is legally transferred from your name and makes a responsible decision about selling or recycling your donation.
