

Resident Spotlight: ROBERT “BOB” BISHOP

“I love people and I live every day with joy,” says Bob Bishop from the comfort of his chair in a sunny corner of his room. “It’s easy to do, just spread kindness,” he adds with a smile, as he reflects on 94 years of ‘a wonderful life.’ Framed photographs fill

Bob’s shelves and snapshots cover his bulletin board, displaying memories with Betty, his wife of 52 years, his seven children, eight grandchildren, and six great-grandchildren.

Bob became a resident of Francis House in November 2021. He quickly became known for his smile, charm and quick wit. Bob says he enjoys visiting with the care staff and also watching sports, particularly the Buffalo Bills and SU football and basketball games. “It’s easy to smile surrounded by the people here. It really is a home away from home. Everyone is just wonderful.”

Bob was raised in the hamlet of Mottville, NY, one of seven children. In 1944 Bob’s older brother joined the Army. A year later, inspired by his brother, Bob enlisted in the Navy, foregoing his senior year at Skaneateles High School for basic training at the Sampson Naval Training Station. After training, Bob returned home to marry his high school sweetheart, Betty, then he set off for gunnery training and an assignment on the USS Franklin D. Roosevelt aircraft carrier. Following active duty during World War II, Bob returned safely home and joined his father-in-law in operating the family meat market in Weedsport, NY, a job he would enjoy for the next 25 years.

“Betty and I settled in Skaneateles Falls, NY, and raised our family. We did everything as a family – camping, boating, snowmobiling—we just loved being together.” When Bob learned that Sugardale Foods was looking for a salesman, he applied and began what would become a 22-year career with the company. “I loved my sales job. My philosophy in sales was to sell yourself first and the rest would come naturally, and that’s what I did.” An approach that earned him Salesman of the Year more than a few times. Last month, Sugardale Foods donated the Francis House Christmas ham – after receiving a request from Bob’s son. “That really made me happy!” said Bob of the donation.

Bob and Betty enjoyed a Panama Cruise in the mid-90s. Shortly after their travels, Bob recalls, Betty experienced a series of strokes and died in 1998. Bob also experienced the loss of three of his children. “Betty and I had great kids. I told them all I’d help them pay for college. It was important to me that they have a good education, especially since I dropped out of school at 17.”

Bob with Francis House caregiver Maria Garcia (left) and Hospice nurse Amy Hess.

After retiring, Bob took up golfing, enjoying regular tee times with his brother, Bill. “I played three times a week. I wasn’t very good but I enjoyed it anyway.” He also went on annual cruises – 11 total over the years. Retirement also provided Bob the time he needed to achieve one of his life

goals – earning his diploma. “I went to BOCES for two and a half years to earn my GED (General Education Diploma). I was constantly asking the teacher for help. She was a saint. She spent so much time with me,” he laughs. “It was math – that was the class that gave me a headache,” Bob says. “I invited my teacher to my graduation party to thank her for putting up with me.”

Bob says his determination combined with a sense of gratitude through the years helped to shape his wonderful life. That, and his commitment to kindness. “What can I say, I just love people.” 🍀

EXECUTIVE DIRECTOR'S MESSAGE

As I reflect on 2021 and the events and circumstances that were part of our 30th year of ministry, I feel a sense of gratitude – for the many ways our ministry was a blessing to those who needed us most, and for the unique ways we – our staff, volunteers, our leadership teams, and our community – responded to challenges.

There was no road map for navigating 2021 but together our staff and volunteers achieved milestones for Francis House. Our founder, Sister Kathleen Osbelt published a book, bringing inspiration and a reminder to all that God is revealed in our goodness. In 2021 we delivered loving personal care to a high number of residents while also achieving the highest level of safety amid the pandemic. Our signature event went virtual and we were blessed by the milestone of its outcome. A December vote by the community honored Francis House as Central New York's 2021 Reader's Choice for Favorite Nonprofit Organization. These milestones and blessings are a testament to the strength of Francis House and a reflection of the loving embrace of the community we serve.

Into 2022 I bring a renewed sense of clarity and purpose knowing we are delivering on our mission, meeting needs, fulfilling expectations, and as we are often told, 'an answer to prayers.'

Francis House is poised and ready for the next 30 years. With hearts open we will lean in to the blessing – the privilege – of sharing the last days, weeks, and months of life with strangers who become our family.

As Sr. Joette Ebert wrote in 1991 when Francis House opened, "As strangers, broken, pained they come.... looking for that welcome wherein one's name is Friend, and one's story, precious. When we become family, this becomes home."

Francis House has cared for more than 3,400 residents and 12,000 family members since its founding. I am grateful to all of you who are part of the Francis House family – you help to make our house a home. God bless you now and throughout the year ahead.

Blessings,

A handwritten signature in black ink that reads "Mary Anne Hankins".

Mary Anne Hankins, Executive Director

WELCOME NEW STAFF MEMBERS TO FRANCIS HOUSE

Peggy Coholan Northrup has joined Francis House as Director of Development.

Peggy is from Baldwinsville, NY, and holds a Bachelor of Arts degree in Communications from St. Bonaventure University. She most recently held the position of Director of Operations at Hendricks Chapel of

Syracuse University. She brings extensive experience leading outreach and engagement efforts in support of development and communication priorities.

As Director of Development Peggy will lead fundraising, planned giving, communications and events for Francis House and will serve as the liaison to its auxiliary.

Peggy has served as a board member and volunteer for a variety of local nonprofits. Her connection to Francis House began in 2005 when her father was a resident and led to her role as a volunteer with her children. "Francis House was truly the answer to prayers for the care of both my mother and father. It's a very special place. We loved our time as volunteers, and now I am honored to serve its mission in this important role." Peggy can be reached at pnorthrup@francishouseny.org.

Angela Cameron has joined Francis House as Menu Coordinator. Angela is from Jamesville, NY, and holds an Associate of Science degree in Business Administration from Mohawk Valley Community College and most recently held the position of internal underwriter at Midstate Mutual Insurance Company.

Angela started as a volunteer at Francis House to fulfill her love of cooking and service. She moved to Syracuse from her hometown of Rome, NY, where she volunteered at various nursing homes from the age of 13. Cooking for family, friends and co-workers has always been a big part of her life.

"There was no question that volunteering at Francis House would be the perfect fit, then when the opportunity presented itself to apply for Menu Coordinator, I took that leap and it paid off. I am so happy to be here and to serve this mission while working with the absolute most wonderful people, preparing wonderful meals."

Angela will oversee and prepare the residential menus, manage in-kind donations of goods and supplies and work with the caregivers, residents and volunteers to ensure that all dietary needs are met. Angela can be reached at acameron@francishouseny.org.

Volunteer Spotlight:

MEET LOGAN BATTAGLIA

High School: West Genesee High School Class of '23

Family members: Mom is Katie Battaglia, Dad is Marc Battaglia, Liam is her brother

How did you become involved with Francis House and the Youth Auxiliary?

I first heard about Francis House and the Youth Auxiliary from my mom – she received an email through her school that the Youth Auxiliary was looking for new members.

What inspired you to get involved?

My family had told me about Francis House and all the great work they did so I thought it would be a fun and meaningful thing to do since I had free time.

What is your favorite part about being in the Youth Auxiliary?

I really love all the outreach that I'm able to do with the Youth Auxiliary. The annual Remembrance Mass is one of my favorite things I've been able to do with the group. I got to see the strong community that surrounds Francis House and I could share in the remembrance of people who have died.

Have you had a family member here?

I haven't, but my grandpa was in hospice at home and I could see how much more comfortable he was there than he would've been in the hospital so I really appreciated how important that was.

You also volunteer at Francis House in the reception area. What is your favorite part about that role?

I definitely enjoy meeting the visitors and family members. Sometimes they'll share stories about the resident they're visiting and I get to hear about our residents' great lives!

Do you have a favorite story about your volunteer experience so far?

One of my favorite stories about my volunteer experience is when a family member called the house to pick up belongings of a resident who had passed away, and she explained to me that being with her family member in their dying moments was the greatest

moment of her life. She said that she would never be able to thank Francis House enough for supporting her and her family and caring for the resident. It was very moving to hear that story because I was really able to see the impact that Francis House has on so many families by supporting them in a difficult time in their lives.

Have you thought about what career path you may take in the future?

Francis House has definitely contributed to my passion for helping others. I am interested in possibly pursuing a career that has something to do with non-profit organizations or social work, largely because I've seen the impact that Francis House has on the community. I want to be able to help others in the future.

WE DID IT... VIRTUALLY! THANK YOU FOR A SUCCESSFUL 30TH ANNIVERSARY "THERE'S NO PLACE LIKE HOME" EVENT!

With restrictions in place for public gatherings in 2021, Francis House partnered with WSYR News Channel 9 to host the signature "There's No Place Like Home" 30th anniversary event as a live prime-time broadcast. The hour-long show on October 6 aired from 7-8 pm. Special thanks to Dan Cummings for hosting the show and encouraging donations and bids!

With the support of event sponsors, donors, and our active auction bidders, the event raised **\$292,000** for

the Francis House mission. The broadcast featured heartwarming interviews and presented stories and reflections of Francis House friends, families, staff members, and volunteers.

Although we were not able to gather and celebrate in person, together with you, our friends and family, we were together in spirit. We are grateful for your "going virtual" with us and for your unwavering dedication and commitment to this event.

Thank you to our 2021 "There's No Place Like Home" sponsors!
